**Outback® Kick Off to Athletics**

By Ms. P. Romero

Park Vista’s 2008/2009 kick off to the athletic season was a HUGE success! Sponsored by Outback Steakhouse®, the sold-out fundraiser drew parents, students and community members to the school on Thursday, October 2, 2008.

The food was wonderful and the entertainment was spectacular with virtuoso performances by the Striking Cobra Band, and the Dolce and Encore choral groups. The Cobra Step Team stomped through two impressive routines and our junior varsity and varsity cheerleaders kept the night alive with cheers and choreographed dance routines.

Tickets also included admittance to two Park Vista games. The varsity volleyball team put on a superior performance defeating William T. Dwyer and our Cobra football team continued their winning ways by beating the Santaluces Chiefs on Friday night.

The Athletic Department would like to thank everyone who supported the event from those who volunteered their time to those who joined us in celebrating Cobra sports. We know this is going to be another banner year. Go Cobras!
Dear Cobra Families:

We are off to a terrific start to the school year at Park Vista Community High School (PVCHS) and have already reached the end of the first marking period. You should receive your child’s report card on November 5. Our students and faculty have been working hard these first few months of school while having fun learning together. We are extremely pleased with the efforts of our students both academically and socially. As we prepare students for the next century and beyond, these two areas are vital for their success and well being.

Our primary focus at Park Vista is to raise student achievement for all students and to maintain a safe campus. To accomplish this we continue to put into practice strategies that will help our students improve their reading, mathematics, science and writing skills. The Florida Department of Education has released the 2007-2008 No Child Left Behind School Public Accountability Report (NCLB SPAR). The entire report is available at PVCHS and includes information on Florida State goals relating to Adequate Yearly Progress (AYP), student performance, learning environments, school safety, teachers and staff, adult literacy, and parental involvement.

At the September School Advisory Council (SAC), I presented a proposal to publish some editions of our “Cobra Bites” newsletter on the school web site (PVCHS.com) and on Edline (Edline.net). We will still mail paper copies of the back-to-school edition and the final, senior edition at the end of the academic year. The proposal was made due to recent reductions in School Improvement funding. The SAC overwhelmingly endorsed this proposal because of the cost savings. We can also do our share in preserving our environment by going green.

The savings from posting “Cobra Bites” online will be used for teacher training, materials and supplies, and other items which directly support student achievement. For those homes that may not have internet access we will have paper copies of the newsletter in the Main Office, Guidance, and Student Services. E-mail notifications will be sent to all homes via Edline to notify each family when a new edition has been posted on the website. Please make sure that you have activated your Edline Account. A message will also be displayed on the school’s marquee.

Open House was held on Tuesday, September 2. We would like to thank the families that took the time to meet their child’s teachers, to discuss the curriculum, to review classroom expectations, and to ask questions about their child’s school environment. There is great educational benefit derived when parents and teachers meet face to face to discuss their child’s education. Park Vista’s faculty and staff are committed to providing the best educational opportunities for all students.

During the week of October 6, some students took FCAT retakes while all tenth graders and some eleventh graders took the PSAT. All tenth graders are required to take the PSAT, which is a major predictor of expected student performance on the SAT test and Advanced Placement classes.

Homecoming week will take place October 20–25 with many activities organized by the Student Council. We expect about 1,100 students to attend the dance, which will be held in the gym. This year’s theme is Once Upon Park Vista. Thank you for supporting our homecoming activities and for your continued support of our school.

By working together as a team, we can make a significant difference in the life of our children. Our goal is to make a difference—one student at a time.

Educationally Yours,

Reginald B. Myers
Principal
National Achievement Scholarship Program

On Wednesday, September 24, 2008, Audrey Amarquaye, Jasmine Atwell and Daniel Wossenu, Park Vista High School seniors, were designated semifinalists in the 45th Annual Achievement Scholarship competition. They are among more than 1,600 Black, scholastically talented U.S. high school seniors announced by the National Achievement Scholarship Program. These students now have the opportunity to continue in the competition for some of the approximately 800 scholarships worth over $2.6 million, to be awarded next spring.

More than 150,000 high school juniors from all parts of the U.S. requested consideration in the 2009 National Achievement Program when they took the 2007 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Semifinalists were designated within geographic regions and are the highest-scoring program entrants in the states that make up each region.

To advance to the finalist level in the competition, semifinalists must present a record of high academic performance throughout high school, be endorsed and recommended by the high school principal, and earn SAT scores that confirm the PSAT/NMSQT performance. Also, the semifinalists and a high school official must complete a detailed scholarship application in which they provide information about the student’s participation in school and community activities, demonstrated leadership abilities, and educational goals.

Approximately 1,300 semifinalists are expected to advance to the finalist level in the 2009 program. All Achievement Scholar awardees will be selected on the basis of their abilities, accomplishments, and potential for success in rigorous college studies.

Congratulations to these outstanding students.

Morgan Shafter Named Semifinalist in 2009 National Merit Scholarship Program

Morgan Shafter, a Park Vista High School senior, has been recognized as a National Merit semifinalist in the 54th Annual National Merit Scholarship Program. This academically talented high school senior has the opportunity to continue in the competition for some 8,200 National Merit Scholarships, worth more than $35 million, that will be offered next spring. To be considered for a Merit Scholarship award, semifinalists are expected to attain finalist standing, and approximately half of the finalists will win a National Merit Scholarship, earning the Merit Scholar title.

More than 1.5 million juniors in over 21,000 high schools entered the 2009 National Merit Program by taking the 2007 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), which served as an initial screen of program entrants. The nationwide pool of semifinalists, which represents less than one percent of U.S. high school seniors, includes the highest scoring entrants in each state. The number of semifinalists in a state is proportional to the state’s percentage of the national total of graduating seniors.

To become a finalist, a semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by the high school principal, and earn SAT scores that confirm the student’s earlier performance on the qualifying test. The semifinalist and a high school official must submit a detailed scholarship application, which includes the student’s self-descriptive essay and information about the semifinalist’s participation and leadership in school and community activities.

Approximately 15,000 semifinalists are expected to advance to the finalist level and it is from this group that all National Merit Scholarship winners will be chosen. Merit Scholar designees are selected on the basis of their skills, accomplishments, and potential for success in rigorous college studies.

Park Vista Student Honored at School Board

On August 20, the 2008 International Science and Engineering Fair winners were recognized by the School Board of Palm Beach County. Six outstanding Palm Beach County students participated in the international competition after winning at the state and local levels.

Athletic News

Savanna Luberto is a student athlete at Park Vista participating on our girl’s varsity basketball team. She was recently selected by the Orange Bowl Committee to receive the “El Espiritu de la Comunidad” Scholarship. Savanna will be awarded $2,500.00 towards the college of her choice. Congratulations Savanna!

Athletes of the Week

Congratulations to Trence Mason, Jayna Conin, and Chelsea Mokary for being selected Park Vista’s Athletes of the Week for their accomplishments on the field, court or golf course.

Trence Mason led the Cobra football team in rushing yards and has helped lead them to a 4 – 0 start.

Jayna Conin is a member of our varsity volleyball team. Jayna’s offensive attack has led the Cobras to an undefeated district record and their 4th Conference Title.

Chelsea Mokary leads our Cobra golf team. Her performance and leadership on the course has brought our golf team to new heights. She recently defeated district rival Santaluces and is looking to capture our first District Title.

Student-Athlete/ NCAA Initial Eligibility Clearinghouse

Since 1994, the NCAA Initial Eligibility Clearinghouse has evaluated the academic credentials of high school student athletes interested in participating in athletics at an NCAA Division I or II member institution. Students who want to participate in college sports during their first year of enrollment in college MUST register with the NCAA to be eligible to participate in college athletics at a Division I or II college. Go to www.ncaaclearinghouse.net to register and see your guidance counselor for further information.

The Cobra Chronicle is a great buy for your advertising dollar. It reaches 3,500 PVCHS students, faculty, staff and their families within a prime geographic location.

Establish brand loyalty by advertising in the PVCHS newspaper. Reasonable rates.

Call Ms. Pike at 561 493-6891 for more information.
Homecoming
by Ms. P. Lawson
Student Government Advisor

Park Vista Student Government Association is holding a fun-filled, spirited Homecoming Week beginning on Monday, October 20, 2008. This year, we have decided to incorporate the community by hosting a free showing of the DreamWorks movie *Shrek*, which will be viewed on Wednesday, October 22, at 8:00 p.m. The movie will be shown in our courtyard, and, in addition to watching a free movie under the stars, anyone who attends will be offered free refreshments.

This is an amazing opportunity to get the community involved by reaching out to the area elementary and middle schools and allowing them to take part in one of the many events sponsored by our Student Government Association. It would be an honor if the students from the community would be in attendance at this event. Parents are naturally welcome to come and join the fun by staying with their children. Our enthusiastic administrators and a number of terrific teachers will serve as “movie chaperones”.

If you have any questions or comments or concerns, please contact us via email at lawsonp@palmbeach.k12.fl.us or via phone 561-491-8457. We are looking forward to hearing from you and seeing you in the Cobra courtyard!

Homecoming Week
Once Upon a Park Vista
October 20 - 25, 2008

News From the Auto Body Academy
by Mr. N. Thomas and Mr. J. Verdicchio

This year is a great year to be in Auto. All of the facilities are up and running and we now have four instructors utilizing both shops to the fullest. This is the fourth year for the Auto Body Program and many of the fourth year students will be enjoying painting real cars in the most modern school facilities in Palm Beach County. The new students are discovering the diversified scope of both programs. After students have completed the general safety requirements, they will engage in real projects in our shop areas.

An Art Car Club is being started and will be creating a car of awesome artistry! Come and visit the facility in room 13-111. Most visitors have been amazed by what they see here in our magnificent facility. To all of you that have helped make this exciting academy and facility happen, a sincere thanks to all of you.

Information Technology Academy

Park Vista’s Web Site Student Redesign Coming Soon
by Mr. M. Rott

The Academy of Information Technology offers an innovative, integrated, hands-on learning environment focused on computers, technology and communications. For our web design students to get real-world experience, they will be creating a new look for PVCHS.com web site in the third quarter, 2008.

Students from one of our Information Technology classes, Web Design III, will work to improve our web site this year. So, please pardon any missing links or any “construction dust” as we work to provide a new and improved web site.

Film, TV & Media Production Academy

Kool 105.5 Internship Summer 2008
by Ms. S. Peterson

Six Park Vista TV/Film Academy seniors interned for the Mo & Sally Morning Show on Kool 105.5 radio. During the summer they reported to the Clear Channel Building in West Palm Beach at 5:30 a.m. Their daily duties included screening phones, dubbing audio, updating the website, and making a Pet of the Week Video. The interns were frequently heard on the local radio station as they were interviewed daily by Mo & Sally.

The show’s producer, Tim-Allan Walker, nicknamed Erica Serio, Melanie Kabinoff, Matt Patsis, Marvin Fils-Aime, Elyse Lautenschlager, and Sebastian Jones the “Park Vista Posse.” The PV Posse also posted daily blogs so listeners could read the day-to-day life of an intern. Even though they had to wake up early for the entire summer, the six students increased their knowledge of radio and communications and had an unforgettable, career enhancing experience.

**New Admission Requirement for State Universities!!**

Be Aware---The State Universities have decided to include the Writing sections of the SAT and ACT in their admission decisions this year. This is a new requirement as of school year 2008-2009!!

- Quality Points added to G.P.A. for A.P., honors, and dual enrollment: 1.0 Q.P. for A.P., 0.5 Q.P. for Honors, 0.5 Q.P. for Dual Enrollment
- None of the colleges listed above state a preference for S.A.T. OR A.C.T.
- U.C.F. is the only one of the above colleges who ask for a letter of recommendation which should be generated from the PVCHS Guidance Department.

For a more detailed version of this matrix, please go to the Guidance Department or visit our web site at [www.pvchs.com](http://www.pvchs.com). Select: Guidance Then: College Information Then: State Universities Admission Information
Dual Enrollment
The dual enrollment program allows students who have a cumulative 3.0 G.P.A. or H.P.A. to take college-level courses at Palm Beach Community College (PBCC) or Florida Atlantic University. Seniors with at least a 2.5 G.P.A. are permitted to enroll in a course titled SLS1501 Strategies for College Success. These courses are free to high school students. The dual enrollment program provides students with the opportunity to earn college credit and high school honors credit simultaneously.

Interested students may see their guidance counselor the first week of November for additional information or to make an application for the dual enrollment program for second semester (spring term). Registration will begin November 25 and must be completed at PBCC by early December.

Report Cards
The first nine weeks’ midterm progress reports were issued on September 22. Report cards for the first nine weeks will be distributed to students on November 5, 2008.

PSAT: SAT Practice Test Offered at Park Vista
The PSAT was given at PVCHS on Wednesday, October 15, 2008. This test is required for all sophomores and there is no cost for sophomores. It is excellent practice for FCAT and for college entrance exams such as SAT or ACT.

ASVAB Test (Armed Services Vocational Aptitude Test)
Administered at PVCHS on Thursday, November 20, 2008. This test is designed to help grade 10 and 11 students analyze their individual career interests. Sign up in guidance office by Friday, October 24, 2008.

College Fair
Held at the South Florida Fairgrounds Expo Center on October 21, 2008, from 6:00-8:00 p.m. Over 150 colleges, universities, technical schools, and military recruiters will be in attendance.

Scholarship Information
Beginning in October, sophomores and juniors should check their Bright Futures GPA and other college information at www.facts.org. Students should listen to scholarship announcements, check the PVCHS.com website and the scholarship file in the guidance office/career center regularly.

Volunteer Community Service Information and Course Credit
Check the Park Vista website for updated information. Look in the file of volunteer service opportunities located in the guidance/career center. Submit your community service hours to your counselor. The form is available on the Park Vista web site and in the guidance office. Make sure to see Mrs. Turner in guidance if interested in earning a half credit for community service. Students must earn 20 hours of community service for graduation.

Edline Update
Edline (www.edline.net) provides detailed weekly progress reports for each class. This valuable on-line resource should be monitored by parents and students by accessing the Internet. It also allows parents and students to communicate with teachers via email (parents and students have separate accounts).

Edline account information was provided to students and parents new to Park Vista by September 15, 2008. Students and parents of students who were at Park Vista last year can use their existing accounts and do not need to establish a new account each year.

Progress Monitoring Plan
As required by Florida Statute 1008025(4), schools must provide a School District of Palm Beach County Progress Monitoring Plan (PMP) for each student who does not meet specific levels of performance as determined by the school board in reading, writing, mathematics, and/or science for each grade level, or who does not meet specific levels of performance as determined by the commissioner on statewide assessments at selected grade levels. Additional diagnostic assessments must be provided to determine the nature of the student’s difficulty and areas of academic need.

The Student Monitoring Plan (SMP) is used to monitor all students performing below grade level. A school-wide system of monitoring has been put in place which addresses diagnostic assessments, strategies, and interventions that are used at Park Vista High School by all teachers for all students.
Spanish Honor Society
by Ms. C. Slesinger

The Granada Chapter of the Spanish Honor Society of Park Vista held its induction ceremony of new members on Wednesday, September 10, 2008, in the Media Center. Eligibility for membership in the Spanish Honor Society follows the strict guidelines of the national organization, The American Association of Teachers of Spanish and Portuguese. Students are required to have a 3.5 GPA in three semesters of high school level Spanish courses and a 3.0 GPA overall. We would like to congratulate the following new members who met these requirements and we welcome them into the Granada chapter:

Alex Barica  Adam Lichtenstein  Mikayla Nero
Rachel Brill  Marcie Lieberman  Gabrielle Roulette
Sylvia Carranza  Kate McMillian  Gabriela Sánchez
Nick Filamini  Amanda Murphy  Stephanie Valdés
Garrett Krivicich  Krystal Neira  Taylor Welsh

Park Vista Choral Concert

Park Vista’s Choral Department proudly presents its first concert of the year.

The Cobra singers take the stage on October 28, at 7:00 p.m., in the PVCHS Auditorium. Over 140 students in four singing ensembles will perform a wide range of selections, from madrigals to modern day music.

Admission is free, and all are welcome!

Florida Future Educators of America

The Florida Future Editors of America (FFEA) would like to invite you to join their chapter. Meetings take place the first Thursday of every month at 7:00 a.m. in room 5-105.

Please see Ms. Dague if you have any questions.
