

Assessment Graduation Requirements for Entering Ninth-Graders: FY10 - FY12

FY10 (last year's) Entering 9th Graders

- Reading: A Scale Score of 300 (Developmental Scale Score - DSS 1926) on the Grade 10

FCAT 2.0 is required. (The 300 Scale Score will be linked to the previous FCAT.)

- Mathematics: A Scale Score of 300 (DSS 1889) on FCAT Grade 10/Retake Test is required.

FY11 (this year's) Entering 9th Graders

Reading: The minimum Scale Score in Achievement Level 3 on the Grade 10 FCAT 2.0

is required. This Scale Score will be considered passing and proficient, and will

be set in fall 2011. The DSS is not available at this time.

- Mathematics: Passing a state assessment is not required.

FY12 (next year's) Entering 9th Graders

• Reading: The minimum Scale Score in Achievement Level 3 on the Grade 10 FCAT 2.0

is required. This Scale Score will be considered passing and proficient, and will

be set in fall 2011. The DSS is not available at this time.

- Mathematics: The minimum Scale Score in Achievement Level 3 on the Algebra I EOC is required.

This Scale Score will be considered passing and proficient, and will be set in fall

2011. A student must pass the Algebra 1 EOC to earn the Algebra 1 credit

required for graduation.
