

On April 15, 2013, Board Member Debra Robinson asked the following question regarding Board Agenda Item: AC 1 - Florida State University Subcontract R01552 - Amendment #1

Question

Does the money all go to FSU?

Response

The Institute of Education Sciences (IES) Student Success Skills Research Project is a four (4) year grant. This is year two (2) of the project. Grant funds are distributed to the School District of Palm Beach County through subcontract agreements with the Florida State University. This Amendment brings an additional \$22,425 into the District resulting in a total budget for the 2012-2013 school year of \$147,677
