

On November 18, 2012, Board Member Debra Robinson asked the following question regarding Board Meeting 11/20/12, Agenda Item FM 4. A response is provided below.

Question:

Does this mean that in February there will be an advertising campaign to inform employees that they can donate to UNCF via payroll deduction and the deduction will be taken out of each paycheck for the designated period of time?

Response:

Yes, with the Board's approval of this item, staff will partner with UNCF on a workplace giving campaign in February. Employees will be able to make payroll deduction contributions on line through a link on the District's website. Staff envisions this campaign will become an annual event in order to allow employees to renew or increase their contributions.
