Special Provisions

All grants are made, and must be used, in accordance with all applicable laws, regulations and rulings. Please read the following carefully:

1. Public Announcements - We encourage any publicity announcement that you would like to initiate in regard to this grant. Therefore, we ask that you mention the Fund, where possible, in press releases, programs, announcements, feature stories, interviews, and print materials production in conjunction with this grant, and that in your public information you highlight your connection with the Mary and Robert Pew Public Education Fund. A copy of all print materials mentioning the Fund should be sent to the Fund's office. **An appropriate program-related photograph (black and white) should also be submitted to the Fund for use in its publications.** Please provide signed releases as needed.
2. Expenditure of Grant Funds - This grant is made expressly and solely for purposes stated in the grant proposal. The funds provided may be spent only in accordance with the provisions in the application you submitted. The program is subject to modification only with the Fund's prior written approval.
 - a) Expenses charged against this grant may not be incurred prior to the effective date of the grant or subsequent to the termination date, and may be incurred only as necessary to carry out the purposes and activities of the approved program.
 - b) The grantee organization is responsible for the expenditure of funds and for maintaining adequate supporting records consistent with generally accepted accounting practices.
 - c) Equipment purchased with grant funds shall be the property of the grantee organization so long as it is not diverted from the purposes for which the grant was made. If the purpose of use is changed or the grantee organization goes out of existence, the property reverts to the Fund.
 - d) The grantee is responsible for reporting to the Fund if there are any changes in the program/project as described in the application for Fund support. This would include changes in purpose, staff, funding from other sources, relationships with other agencies, etc. (If there is any doubt about the importance of any changes, Fund staff should be consulted.)
 - e) The grantee must be able and willing to prove to the Fund's satisfaction that no portion of the grant funds has been used for purposes not clearly identified as charitable under the law, both State and Federal.
 - f) The Fund reserves the right at any time to terminate this grant if, in its discretion, it shall determine that the grantee has made any misrepresentations, has in any way misappropriated grant funds, or has done anything inconsistent with the Grant Agreement, including but not necessarily limited to any special conditions.
3. Reversion of Grant Funds: Grantee will return to the Fund any unexpended funds at the close of the project period. Funds will be promptly returned: (a) If the Fund elects to terminate said grant in accordance with Paragraph 2(f) above; or (b) if the grantee loses its exemption from Federal income taxation as provided for under Section 501(c)(3), of the Internal Revenue Code. The declaration or filing of bankruptcy by the grantee will automatically terminate the grant.

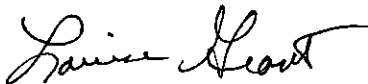

4. Limit of Commitment: Unless otherwise provided in writing, this grant is made with the understanding that the Fund has no obligation to provide other or additional support to the grantee.

5. The School Board acknowledges that the Pew Fund's sole responsibility under this Agreement is to provide funding for field trips in accordance with the terms and conditions of this Agreement. The School Board recognizes its liability for certain acts of its agents, officers, employees and invitees to the extent and limits provided in Section 768.28, Florida Statutes. To the extent permitted by law, the School Board shall indemnify, defend and hold the Pew Fund harmless against any actions, claims and damages arising out of the School Board's negligence in connection with the use of the funds provided under this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Section 768.28, Florida Statutes, nor shall the same be construed to constitute an agreement by the School Board to indemnify the Pew Fund for the Pew Fund's sole negligence, or willful or intentional acts. The foregoing indemnification shall survive termination of this Agreement.
