Dear Ms. Edwards:

We are in receipt of your request for a 60-day extension of the My Choice Academy charter school application. However, we must deny your request as we are too far in the process of obtaining financial support which is time sensitive.

We therefore request that the School District of Palm Beach County adhere to the State Statute, Section 1002.33 and provide your response within the required timeline.

This communication is being submitted via facsimile and a hard copy will be sent to you by standard mail.

Sincerely,
