

POLICY 5.1813

- 5-C** I recommend the Board approve the proposed revisions to Policy 5.1813, entitled “Operational Procedures for Incidents and Actions for Secondary Students.”

[Contact: Elizabeth Decker, 434-3397; or Dave Benson, 752-1508.]

◆ **Development**

- At the first readings for development on June 17 and July 8, the School Board requested several amendments. Amendments based on the Board's discussion are described in the first part of the Executive Summary.
- Upon approval on August 19, this Policy will be scheduled for final reading and recommendation for Adoption on September 30.

CONSENT ITEM

- After a year of implementation of the new discipline coding system, some inevitable “tweaks” and minor changes have become necessary. The Palm Beach County School District discipline committee, chaired by Elizabeth Decker, has recommended a few new incident codes and action codes in addition to some minor definition and matrix changes that will assist in more accurately reflecting events as they occur at schools.
- Additionally, during the development of the discipline policies and the preparation of the training materials for the end users, several corrections and changes occurred. As a result, some of the documents (both policies and end user materials) have some minor inconsistencies.
- A few of the discipline code definitions are slightly modified to provide a clearer understanding of these incidents and the corresponding actions to be taken.
- The Secondary matrix also need some “very minimal” updating to reflect some oversights in the original edition and clear up some inconsistencies as well as some recommended changes from the discipline committee.
- **A brief Executive Summary of the committee's and School Board's changes is presented as follows:**

EXECUTIVE SUMMARY

This is a brief summary of the recommended changes including rationale for the changes to Policy 5.1812 – Operational Procedures for Incidents and Actions for Elementary Students – and Policy 5.1813 – Operational Procedures for Incidents and Actions for Secondary Students. (Once these policies are approved, then Policy 5.1811 – Student Code of Conduct Terms, will need to be updated to reflect the minor definitional changes and provide consistency between the policies.)

Additions to the Body of the Policy Text

In view of the Board's discussion on In-school Suspension, the following sentence has been added to the text at lines 25-28:

For incidents that do not require an Out-of-School Suspension, schools should utilize In-School Suspension (ISS) wherever possible as an alternative to an Out-of-School Suspension.

Code **06** (Written Communication to the Parent/Guardian) is not on the matrix. Instead of adding it to the Matrix, the following sentence has been added to the text of the Policy at lines 52-54:

Additionally, every reasonable effort should be made to inform the parent(s)/guardian(s) of discipline incidents involving their children.

The Board discussed expulsion for serious verbal assaults and sexual harassment; thus, an "A" has been added to the expulsion column of the matrix for codes **32** (Repetitive Bullying, Harassing, Intimidating, or Threatening Behaviors) and **45** (Sexual Harassment). However, it would be more appropriate to regulate length of expulsions in a separate Policy (5.1814) that is being proposed on that subject under the title "Severest Consequences for Violent Acts."

The Board discussed making expulsion under for Code **57** (Physical Aggression on a School Board Employee) and **96** (Battery on a School Board Employee) be without possibility of early reinstatement. However, it would be more appropriate to regulate length of expulsions in a separate Policy (5.1814) that is being proposed on that subject under the title "Severest Consequences for Violent Acts."

New Incident Codes

- Level 3 - # 57 – Physical Aggression on School Board Employee (volitional act; not accidental)
Rationale: Discipline committee recommendation; some of the physically aggressive acts by students were coded as a Level 4 Battery on School Board Employee even though the staff member did not want to press charges against the student for battery. The Level 4 code mandates a recommendation for expulsion. Many of these events required serious disciplinary consequences, but did not rise to the level of a recommendation for expulsion. (See lines 507-14.)
Example 1: Student pushes a teacher out of the way...teacher chooses not to press charges

Example 2: 3rd grade student pushes a teacher; the teacher presses charges; but mandatory expulsion *may not* be the most appropriate option for this student.

- Level 3 - # 67 – Counterfeit / Misrepresented Document / Other Major Incident (Lines 573-82)
Rationale: Discipline committee recommendation; several schools requested a Level 3 category to capture counterfeit money and other major incidents that didn't fit other categories.
- Level 4 - # 91 – Possession of a Handgun (Lines 742-47)
Rationale: State requires reporting of handguns separately from firearms. A code for firearms currently exists. This code will allow schools to report weapons more accurately.

Revised Incident Codes

- Level 1 - # 21 – Prohibited Items, non-criminal (Lines 290-96)
Expanded definition to include unauthorized possession or use of over-the-counter *mild pain* medication (or the child's own prescription medication) without parent approval and school notification.
Rationale: Discipline committee recommendation; Though very similar language currently exists in the Level 3 - # 71 *Unauthorized Possession or Misuse of Prescription Medication*, concerns were expressed about the mandatory 10-day suspension for legitimately using the over-the-counter medication (or the child's own prescription medication), yet circumventing the school's process for registering and dispensing medication. This addition allows Principals the discretion when evaluating an event of this type.
- Level 3 - # 71 – Unauthorized Possession or Misuse of Prescription Medication (Lines 592-98)
Expanded definition to specify another person's prescription medication, or misuse of one's own; also clarifies relationship to mild over-the-counter pain medications listed in Code 21. This amendment focuses on deterring illegal possession/misuse of prescription medication that was not prescribed for the student, as well as unlawful or dangerous misuse of the student's own prescription medication.

New Action Codes

- Prevention Consequences - # 13 – Parent/Guardian Contact by a Language Facilitator (NOTE: this code does NOT appear on the Matrix, because it is included within the "PC" column).
Rationale: Provides a code for a parental contact by a language facilitator in the event of a language barrier.
- Early Intervention Consequences - # 25 – Referral to School CORE Team

Rationale: A code added after the policy was approved to assist in providing services for students through the school CORE Team. (This was added to the Matrix.)

- Disciplinary Consequences - # 50 – Alternative to Suspension for Student Misconduct
Rationale: A newly developed Alternative to Suspension program needs a separate code to distinguish it from the other Alternative to Suspension programs. (This was added to the Matrix.)

- Disciplinary Consequences - # 88 – Out of School Suspension for Days Held in Abeyance
Rationale: The discipline committee recommended a suspension code to address additional suspension days for non-completion of alternative to suspension programs. (NOTE: This is **NOT on the Matrix**, because it does not arise from a new incident; it is connected to the original incident.)

PROPOSED REVISED POLICY 5.1813

***OPERATIONAL PROCEDURES FOR INCIDENTS AND ACTIONS
FOR SECONDARY STUDENTS***

I. Overview

A. The matrix of incidents and actions which is found at the conclusion of this policy, is a tool administrators will utilize to issue consequences for misbehavior by secondary students. The purpose of the matrix is to create a consistent, district-wide disciplinary system by identifying specific actions that correspond to a given incident. Administrators will be able to reduce some of the subjectivity in their decision-making and reference a district Board Policy that requires minimum mandatory consequences. These district-required minimum actions will assist administrators in communicating with parents, students, staff, and school personnel regarding discipline issues.

B. If the matrix of incidents and actions is utilized effectively and consistently, the focus of the discipline data generated should shift from the consequences of students' behavior and move toward the behaviors that result in those consequences. For example, instead of focusing on the number of suspensions, we would begin to address the incidents that generate those suspensions. Schools would then explore opportunities to implement programs/ initiatives/ strategies and then would provide assistance for school staff. **For incidents that do not require an Out-of-School Suspension, schools should utilize In-School Suspension wherever possible as an alternative to an Out-of-School Suspension.**

C. The School Board recognizes that the matrix of incidents and actions must be construed to be consistent with the Individuals with Disability Education Act ("IDEA") and Section 504 of the Rehabilitation Act ("Section 504"). Therefore, students eligible for services under the IDEA or Section 504, will be disciplined in accordance with these Acts and are governed by those School Board policies which specify that they apply to students covered under IDEA and 504.

II. Using the Matrix

A. When a student commits an infraction, the misbehavior is classified according to the definition(s) that best describe the event. The action(s) to be taken by the

41 administrator are outlined in the matrix of incidents and actions. To identify the
42 appropriate action(s), locate the cells found at the intersection of the incident
43 (rows) and action codes which are identified by the numbers at the top of the
44 column. The actions represented by the codes are listed in the box to the right of
45 the matrix. Minimum mandatory consequences (actions which MUST be imposed
46 as a minimum consequence for first time offenses) are indicated by an "X."
47 Additional consequences (those actions from which an administrator MAY
48 ADDITIONALLY choose to impose for more serious or repeated actions) are
49 indicated by an "A." Mandatory actions (those actions which MUST be imposed)
50 are indicated by an "M." By providing a minimum mandatory consequence with
51 additional options for all of the incidents, an administrator can address the
52 severity of the incident with the actions imposed. Additionally, every
53 reasonable effort should be made to inform the parent(s)/guardian(s) of
54 discipline incidents involving their children.
